Dear Colleague

I wish to give my support for the revised competency statements provided to you by Curtin University, Western Australia, the Association of Counselling Psychologists and the APS College of Counselling Psychologists.

Having read their updated description and list of competency statements (attached) it is my opinion that this revision more accurately reflects the nature of counselling psychology training, research, and practice in the specialised domain of counselling psychology.

If I can be of further assistance in this matter please do not hesitate to contact me.

Best wishes

Mark
