Dear Rachel

**Consultation –Area of Practice Endorsement Registration Standard**

Thank you for the opportunity to comment on the Psychology Board of Australia's consultation on a 'draft Area of practice endorsements registration standard (AoPE standard)'.

We note from the consultation document that the purpose of the consultation is 'to ensure the AoPE standard aligns with the new accreditation standards' and that 'the proposed AoPE standard and guidelines have been revised to recognise....stand-alone programs'.

APAC supports this approach and of the two options provided in the paper APAC supports Option 2 – New AoPE standard and guidelines.

Yours sincerely

Professor Caroline Hunt
