This form is to be used by provisional psychologists who:

- are currently registered in accordance with section 62 of the National Law
- who have already renewed their current provisional registration twice and in accordance with section 64(3) of the National Law cannot renew a third time and must therefore make a new application for provisional registration, and
- who intend to continue provisional registration in the same pathway (Higher degree, 4+2 internship program or 5+1 internship program).

This form cannot be used by applicants who do not have current registration as a provisional psychologist.

The Psychology Board of Australia (the Board) has decided on a streamlined application process for **currently registered** provisional psychologists who are required to make a new application for provisional registration. The streamlined application process differs from a standard application in that it does not require:

- proof of identity,
- verification of undergraduate qualifications,
- verification of English language skills,
- details of work history or registration history, or
- submission of an internship program plan where an approved program is already in place.

At a minimum, you will be required to provide:

- evidence that you are enrolled in an accredited higher degree or are making satisfactory progress in your 4+2 or 5+1 internship program,
- registration fee, and
- any other documentation required to support the application.

 **IMPORTANT: You should lodge this application with the Australian Health Practitioner Regulation Agency (Ahpra) at least 60 days prior to the expiry date of your current registration to enable the Board adequate time to decide your application.**

It is important that you refer to the Board's registration standards, codes and guidelines before completing this application. These documents can be found at www.psychologyboard.gov.au

 **This application will not be considered unless it is complete and all supporting documentation has been provided. All academic transcripts and evidence of university enrolment must be original documents and must be sent directly to Ahpra by the issuing educational institution.** Supporting documentation **must** be certified in accordance with Ahpra guidelines. For more information, see *Certifying documents* in the *Information and definitions* section of this form.

The Board and Ahpra are committed to protecting your personal information in accordance with the *Privacy Act 1988* (Cth).
