Profession: Psychology

The Health Practitioner Regulation National Law (the National Law)

This form is for psychologists with general registration applying for approval of a registrar program for the purpose of gaining endorsement in an approved area of practice.

Doctoral degree candidates who wish to start the registrar program alongside their degree can apply for early general registration after completing the equivalent of a fifth and sixth year qualification and making progress with their doctoral thesis. This form should be signed by both the registrar and the principal supervisor. Refer to the Psychology Board of Australia's (the Board) *Guidelines on area of practice endorsements* to determine whether you meet the eligibility criteria to commence a registrar program. Registration standards, codes and guidelines can be found at [www.psychologyboard.gov.au/Standards-and-Guidelines](http://www.psychologyboard.gov.au/Standards-and-Guidelines)
