This form is for provisional psychologists who are enrolled in an accredited higher degree undertaking either the higher degree or the 5+1 pathway who are seeking approval to work in psychology roles that do not contribute to the requirements of that degree.

You must read the Board's *Policy on working in addition to placements* before completing this application.

A separate application form needs to be submitted for each proposed work role.

Provisional psychologists may not begin work in the proposed role until written approval is given by the Psychology Board of Australia (the Board).

When working in the proposed role, supervision must be provided by a Board-approved supervisor. **Part B of this form must be completed by the supervisor.**

The supervision **must** be provided:

- regularly (usually at least one hour per week)

- the supervisor must directly observe (in person or by video) at least two client sessions in every six months time frame.

A record of supervision must be kept and made available to the Board on request. Applications for Board approval as a supervisor are available on the Board's website. There is **no fee** for this application.

Provisional psychologists must not practise unless professional indemnity insurance arrangements are in force in accordance with the Board's *Professional indemnity insurance arrangements registration standard*. Registration standards, codes and guidelines can be found at [www.psychologyboard.gov.au](http://www.psychologyboard.gov.au)

**This application will not be considered unless it is complete and all supporting documentation has been provided.** Supporting documentation **must** be certified in accordance with the Australian Health Practitioner Regulation Agency (Ahpra) guidelines.
